Making Mission Possible

HARVEST APPEAL 2021

CPAS is an Anglican mission society. It was founded in the 1830s by the Earl of Shaftesbury amongst others to bring the love of Christ to every door and household. Since then it has been behind all kinds of innovative work in the church to help reach our nation for Christ. Huge thanks for your support, in prayer and giving, over the years.

CPAS works in three main areas: in patronage (which is to do with the appointment of clergy to the leadership of parish churches), in working with children and young people, and in leadership development.

- CPAS is now the largest patronage agency in the Anglican church (even more than the Crown). Indeed both Busbridge and Hambledon churches benefit from the patronage of CPAS, and our Rector's appointment is thanks to CPAS.
- CPAS puts on holidays for children and teenagers, many of whom are not connected with any church. Over the next 5 years, the aim is to run holidays for 20,000 children. We are also working collaboratively with schools, with a view to running 86 holidays for 3,400 children over the next 5 years.

CPAS are leadership specialists, not because leaders are any more valuable than others, but because they can influence churches and mission. The Arrow course in

leadership development for young leaders has been running for over 20 years now. We plan to mentor 60 clergy who have just been appointed to their first incumbency. We are working with Anglican dioceses around the country to run learning hubs for clergy and leadership teams to help lead in evangelism. And we are aiming to work with the national Church of England to equip 1,000 clergy and lay people to lead missional churches, particularly in rural areas.

These are challenging, but exciting, days for the church. There are many demands to rethink how the church can best operate in mission, and there are many opportunities to try new things and work towards best practice. CPAS have 4 main aims over the next 5 years:

- Every church be a pathway to faith
- Every leader be a catalyst for evangelism
- Every Christian be a courageous witness
- Every child have the chance to explore Jesus

No progress can be made without the prayers of God's people. And we are so grateful for the financial support which is also needed. For more information, please look at our website: [CPAS - Making Mission Possible](http://www.cpas.org.uk)
