Churches Opening for private prayer

We are delighted that Busbridge Church and Hambledon Church are now open daily from 9.30am to 4.30pm for private prayer. We know that many of you will welcome this opportunity.

For visitors to the church, our aim is to provide a warm welcome and a way to connect with God, or perhaps discover Him for the first time. There are notices and images displayed to guide prayer if people wish, and at Busbridge, an invitation to take part in the prayer walk in the church yard and add a pebble to the Chain of Hope. (Have you decorated your link in the chain yet?) We hope this will encourage you to drop in while we cannot gather physically to worship.

Thanks to those that have volunteered for the rota to open and close the churches. This involves a government stipulated cleaning and checking process to keep visitors safe. Please let liz.gorst@bhcgodalming.org know if you would be able to help on a weekly basis.

This Sunday is **Unplugged Live** at 6.30pm on zoom. The first service had about 100 attendees of all ages as well as youth - so our largest live and interactive event so far. To keep us on time, please zoom in from 6.20pm to exchange 'hellos' as the service will start promptly at 6.30pm. There will end the formality!

COMING UP

Alpha Online—starting 24 June

The ALPHA course has attracted lots of participants since it was adapted for use online in March. The current crisis has led people to evaluate life now and as they knew it, and provided the time to engage in wider questions. Alpha works for people at many stages of their Christian journey:

- If you are new to the Christian faith or just starting to 'dip your toe in'
- If your friends or family ask you about what you believe and you're never really sure what to tell them
- If you've been a Christian for a long while but have never felt you could ask questions about your faith
- If you're fairly new to church and want to get to know some more people.

Busbridge&Hambledon has run many Alpha courses in the past and indeed many of our church members are the fruit of those courses. Simon Willetts is starting the online version on Wednesday 24 June at 7.30pm. Please pass on the details to people and encourage them to sign up on the web site. And if you can help support or facilitate on Wednesday evenings, please contact simon.willetts@bhcgodalming.org, ideally before the prep session on Wednesday 17 June.

For others elsewhere on their journey, the next **Helpful Habits** course has been moved to Tuesdays, and will start on 30 June, 8-9pm. The course involves 3 or 4 stand-alone sessions on different ways of praying. The first one, will be 'Praying with my pen'. To discuss or to register, please contact Gertrud Sollars, e: Gertrud.sollars@btinternet.com.

Hope in Depression—course starts 6 July

This 6 week course was developed by the Hope in Depression charity for delivery by churches, and we are grateful that Simon Willetts has previous experience leading the course and is able to offer the online version to anyone in the local community. The course is free, and can help those suffering with depression and those supporting them. The details and the registration form are on the web site, under courses. Do please pass this onto anyone who might benefit.

All invited to pray—As well as Morning Prayer on weekdays, there are 3 opportunities to gather virtually in prayer for different things—Prayerfest on Sunday focuses on prayer for children, youth and young adults at this particularly challenging time for them, Churches Together and Hambledon prayer breakfasts next Saturday morning also welcome all.
