BECOMING GODALMING MINSTER

This September and October, come on the journey with the whole church family and develop your relationship with Jesus through understanding the Bible better.

As part of Godalming Minster's vision for making disciples and encouraging deeper engagement in Scripture, we are inviting those who have recently finished the Alpha Course and everyone in the church family and beyond to come along to the Bible Course.

The Bible Course is a brilliant way to bring the Bible to life and understand the whole storyline—from Genesis to Revelation. Along the way you will pick up tools and skills to help you read it yourself and apply it to your life. Though it was written for beginners in an extremely accessible in style, it will still challenge the experienced bible reader and help anyone rediscover the Bible afresh.

If you are not part of a mid-week small group, this is a chance to get a feel for the format, experience bible study in a group, and get to know members of the church family better.
