

Prayer meeting... an invitation

Wednesday 4th September, 7-8pm on Zoom.

God's unwavering message of hope continues to transform lives and as supporters of Feba, you are an integral part of the story! On the first Wednesday of every month* we host a prayer meeting, online. This is always such a special time as we meet our ministry partners and pray for them and their listeners. We would love you to join us to encourage and stand with them.

This month will focus on our ministry in Ukraine. Simply scan the QR code to join us. We really look forward to welcoming you!

**with the exception of January and August*
