

Being God's steward: the Harvest of Generosity

“Cast but a glance at riches, and they are gone, for they will surely sprout wings and fly off to the sky like an eagle.”

Proverbs 23:5

We have some choices to make as a church. Do we step into what we did well in the past, knowing it makes an impact, or do we cease some things?

Everything we currently do has the potential to expand!

We're as interested in people getting involved as we are in finances. The two go together. Getting involved means making great new friends. It's time to grow.

We're asking everyone to consider how we are one together and to commit once again to resourcing God's mission here. This is about the joy of getting our hands dirty with a generosity attitude.

We're careful with the finances. Nothing is wasted. If 100 people started to give, or changed their giving, by £37+ gift aid a month, there would be no scarcity in our Kingdom work. We would like to continue and develop:

Employ a music-worship pastor beyond Lisa's tenure. We've used most of the gifts given three years ago in a special fund for this outreach and worship.

Expand our work with older people. Our grants and financial support ended some time ago and we're now funding all of this ourselves and the work is growing all the time.

Return to funding a full-time children's worker because of the growth in possibilities in this area.

Continue to bless people with online ministry. We stepped into this last year and it has become a growing area of outreach – some of you have joined the church because of what you saw online!

We have much to be thankful for and now we look to the future by securing what we do for the Kingdom of God and beginning the growth that is surely our destiny as people of God. Now, we look to the future.

Here I am!
