

Community Survey on Ockford Ridge/Aarons Hill

I will be leading St Mark's church in carrying out a community survey in the local area to find out about social and spiritual needs. This mission opportunity is available to all who worship at St Mark's Church, St Peter and Paul Church and Busbridge and Hambledon United Benefice. This opportunity to get out in the local community and support St Mark's Church in their mission to reach out to the community will begin on Monday 5th July, taking up to 3 weeks to complete. You are invited to assist in delivering the community surveys and/or collecting them. Training will be given to everyone who volunteers.

We need people for 1 hour at different times during the day and evening, and need a minimum of 2 people for a session to take place. There is a sign-up sheet so please email me for a list of days and times, there is no obligation to sign up just because you request a sign-up sheet.

At the start of each session we will gather at St Mark's Church to pray before we set out together. We will have a designated route and streets to deliver to at each session. Volunteers will go as a group and deliver letters through letter boxes in pairs. After all surveys are delivered, we'll then return to ask people to return any completed surveys.

I have led this missional activity before and Christians often surprise themselves by stepping out in faith and blessing a local area.

If you are concerned about going back to collect survey results and I can assure you when I've led this before it's been great to give residents space to talk and for us as the church to listen.

If you are interested and have questions that you'd like answered then call me 01483 913380 or email curate.godalming@gmail.com

Or come along to one of the zoom presentations I will be giving on the purpose of 'Community Surveys and Mission' and how it will work around St Mark's Church. This is an opportunity to hear all about it and ask any questions.
