THE NOT-SO-SMALL PRINTS

We value our youth so much that we only want **the best for them.**

Before you become a youth leaders we will have to **check your DBS.**
Then we will ask you to do a **safeguarding training.**
Sounds intense, but it's to make sure we're all safe.

YOU'RE THEN **READY TO GO!**

As a youth leader you will be **part of a team** that makes life with a small group of teenagers. You attend the gatherings once a week and also take part in all the other fun activities related to the life of the group: outings, camps, special events, birthdays, etc.
It's about 2 hours of your time each week.

You sign up to volunteer for one academic year, and we reassess your commitment together every year.

Thank you for considering this **call to be a youth leader.**
I would be so thrilled to work with you!

Anto, Youth Minister
